

## **SPECIAL COVID**

During the difficult period we are all living in, Céline and Grégory, hotel and restaurant owners, are committed to making yours holidays as a relaxing moment.

The capacity of the hotel is reduced to 50% in order to manage the welcoming of the guests.

The LAW SEASON prices are applied for all the winter 2021 and the cancellation is free.

Wearing a mask is mandatory throughout the building, except in the rooms.

All the commons as restaurant, bar and lounge are closed.

The rooms are organised with table and chairs for the meals.

You can ask for daily cleaning or let us know your wishes for your stay (change of towels, empty bins,....)

Upon arrival, we will make every efforts to make your stay forget all your worries.
